Figure 1: Schematic diagram of the experimental setup. The diagram shows a participant sitting at a table, viewing a screen. The screen displays a target (a vertical line) and a starting point (a horizontal line). The participant's hand is positioned at the starting point. The distance from the starting point to the target is labeled as 'Distance'. The distance from the starting point to the participant's hand is labeled as 'Hand distance'. The distance from the hand to the target is labeled as 'Target distance'. The distance from the starting point to the target is also labeled as 'Distance'.
